PRODUCT SHOWCASE: HOME INSPIRATION

# DINE IN STYLE

Are you excited to feast with family and friends again?  
Our design experts offer five dining room ideas sure to inspire

## Classic and dramatic

"To further enhance the dramatic look of the space, I added textural black woven shades to the windows, rustic furnishings, and some focal artwork. I used hammered brass bowls as an art installation across the main wall; this brings in a touch of gold from the rest of the house, and is a playful alternative to traditional artwork."

– Designer **Stephanie Brown**,
